

Yes! I would like to help ViDAS make a difference to the health of the dogs and cats of the Yucatan!

- ___ \$15.00 covers the cost of safe sterilization surgery for ONE dog or cat.
- ___ \$150.00 covers the cost of safe sterilization surgery for TEN animals!
- ___ \$300.00 covers the cost of safe sterilization surgery for TWENTY animals!!
- ___ Other amount _____ (every penny goes to helping the animals)

Other suggested donations:

- ___ \$50.00 covers the cost of education materials for children during our clinic.
- ___ \$700.00 “scholarship” to be awarded to a vet student to cover the personal expenses needed to attend a ViDAS clinic (Attending a ViDAS clinic is an invaluable experience in global perspective and education for a veterinary student. Note: this money will be “awarded” to an attending student deemed by current ViDAS staff to be deserving and in need, and will NOT go directly to clinic expenses.).
- ___ \$1500.00 covers the approximate cost of safe anesthesia for an average ViDAS clinic.
- ___ \$7000.00 covers the approximate cost of one **ENTIRE** ViDAS clinic including safe anesthesia, oxygen, surgery supplies and medications for all animals.
